Dear Mr. Chu,

Outstanding DSE Performance of Your Student

I am writing to express my heartfelt gratitude for your school's efforts in breeding the excellence all over the years during which, our school has been reaping and sharing the fruit of success.

To continue the legacy, our teaching staff have been working hard to nurture all-rounders and high achievers in the public examinations before they become pillars of our society. Consistently working up to your school's expectation, our school has achieved remarkable results in public examinations this year. 87% of our Form 6 students achieved '332A22' in the HKDSE exams, meaning all of them were eligible to be admitted to the government-funded degree programmes. Further, around 78.9% of our Form 6 students obtained JUPAS offers. Had it not been for the foundation your teaching staff have laid, our students might not have succeeded in the public examinations.

Our school recognizes that the outstanding student from your school has achieved the following excellent results in the DSE and is admitted to the following programmes:

- **Yau Sze Ki 游斯琪:**

Lv.5* in 2 subjects and Lv.5 in 3 subjects, Bachelor of Psychology, the University of Hong Kong

Your unwavering support is much appreciated. Our teaching staff will continue to work hard and strive for excellence.

Yours sincerely,

Tam Choi Nang Julian
Principal
